## Experience

### **Graduate Teaching Assistant/Associate Instructor - Emerging Media**

**University of Central Florida** | August 2022 – May 2025

- Taught and assisted in 11 undergraduate courses in animation and digital media.
- Independently planned and led multiple project-based courses using Autodesk Maya, Substance Painter, Arnold, and Adobe After Effects.
- Supported student learning through critique facilitation, grading, and lecture assistance; collaborated with faculty on lesson planning, and guided students in developing technical proficiency and artistic expression across a range of animation disciplines.

### **Bent Never Broken (Short Film) — Creator**

**Orlando, FL** | August 2022 – May 2025

- Solo-directed and produced a full animated short, from concept to final compositing.
- Managed production workflow to maintain efficiency across a multi-year solo pipeline.
- Modeled three stylized characters and designed functional rigs for four characters using Maya.

### **Smile, They're Watching (Music Video) — Lead Character and Asset Rigging, Production Manager**

**Orlando, FL** | August 2022 – May 2023

- Designed an animation-ready character rig and props.
- Managed team schedules, asset tracking, and file organization to maintain an efficient production pipeline.

### **Tippy Topper (Short Film) — Lead Character and Asset Rigging, Production Manager**

**Orlando, FL** | August 2020 – May 2022

- Designed an animation-ready character rig and props.
- Managed team schedules, asset tracking, and file organization to maintain an efficient production pipeline.
